Ryosuke

A selfish girl who I just
can't see being selfish.

The one chosen by Ryosuke.

A selfish

My plan was to use the Ryosuke that
can use the Dragon's power as my plan.

and then I was to be chosen.

Because of this "Ryūma" hunter's uniqueness, I thought it was possible...

so I worked to gain her trust.

If she comes out herself to offer her assistance, even a Dragon cannot intervene.

Isn't this...

time ripe now?

「A human's true nature will not change.」
「人間の心は変わらない。」

When the time comes for her to choose,

LONE MANG

she will definitely side with the humans.

Ms. Karin?

I'm certain the Inagi in
the forest was attacked
by humans.

Knowing her, this human will
try to solve it with words,

or try to find a
painful solution.

I cannot accept that
kind of outcome.

「An eye for an eye,
& a tooth for a tooth!」

Was I too
hesitant? Maybe
there really is something
big going on...

It's alright. Even
if there is a problem, I
can take care of it.

Lady Etnia,
you must find the
real host of the
Parasitoid, too.

Must I waste such a golden
opportunity as this?

It is our duty as
knights to serve the Rhymon
and the Dragon, so please
do not worry

But...

If you insist,

then how about
you grant one of my
wishes next time?

LONE MANGA!

Let us go
dinner. I know of a
good restaurant
around here

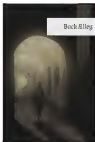

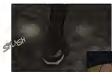

Hollan, Industrial Area

LORE MANGA!

Back Alley

Hey Mister, you've
got some pretty nice
clothes on, don't you?

I've never seen
this kind of fabric
before.

Everything that
is talked

I came from Elbrus
Mountain. I've crossed
the Black Valley.

Is that so? Tell
where did he hear
that from?

None

Follow me.

What is Sir Richard thinking...?

Go through

LONE MANEAL

He said it's
a letter.

LONE MAN!

How about polishing
that pistol dusty from
your subordinate

Red?

Even if
he wasn't, it
would be *really*
interesting
right?

Despite his looks, he is a
First-Class Dragon Knight.
You don't want to know
what he can do...

Oh?

Do they know
each other?

Why are
you trying to
protect
me?

If I know you'd be
here, I wouldn't have
bothered making money
in the first place... Where did
you start doing that?

I'm just trying to live
my life, you.

But my pride wouldn't
let me follow you guys
like the rest of
the kids.

The prince was missing
for about three years
about twelve years ago
during the Red Rock
Passage Incident.

Everyone knows that he
lived in the 'Black Abbey' for
a while, since a portion of
the Killarney Museum is from
there as well.

Even so, why is he
here with them now...?

LONE MAN

Even though he wasn't
officially announced as
the crown prince, he's
still the first prince...

Let's go inside.

Wait here

Yes, Sir

It's not for anything
bad, right?

What?

Are you serious?

Now, the piece of paper below is a map of this "world"

Black Chenn
Kellan Brunch Manager
Bess (Robert's old acquaintance)

You want to
support the southern
slave revolution?

...Do you
intend to start...
a 「civil war」?

LONE MANGA!
